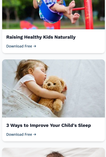
Our Services

Specialized chiropractic care tailored to your family's unique needs

Pediatric

What truly distinguishes Cultivate Wellness is our specialized approach to pediatric care. We can achieve remarkable outcomes across a range of conditions, from soothing fussy and colicky babies to aiding children with children, and supporting kids and teens facing sensory and spectrum challenges.

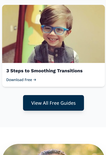
Pediatric →



Prenatal

The cultivation of a thriving and healthy family starts during the prenatal period. Trained in the Webster Technique along with a gentle, neuro-focused approach, we provide premier care and support for moms from conception to postnatal care.

Prenatal →



Family

Parenting does not have to mean constant fatigue, stress, and burnout. At Cultivate Wellness, we ease the journey with neuro-focused chiropractic care, promoting restful sleep, increased energy, and emotional balance for the whole family!

Cultivate Wellness is led by Dr. Zach Conner, **an esteemed educator and practitioner of Tabby Tonal Chiropractic, a gentle, highly effective neuro-focused approach to care.** From your first visit, expect to be embraced as part of our Cultivate Wellness family as we journey together towards a healthier, happier life.

Meet Dr. Zach

MISSION:

Our team is dedicated to optimizing the body's natural power to heal, function, and perform. Through gentle, neurologically focused care, improving the well-being of children, their families, and the broader community.

VISION:

We are cultivating a future where children, especially those with special needs, and their families find the strength, support, and transformative care they need to overcome challenges and reach their fullest potential.

Office Hours

New Patients: We have merged with Van Every Family Chiropractic Center and are no longer accepting new patients at this location. To schedule a new patient appointment with Dr. Zach, please call **(248) 516-0909**.

What Our Patients Say

Real stories from families we've helped

★★★★★

"Dr Zach is hands down the best chiropractor Wellington's so much more than just a chiropractor he's a healer. Someone dr who really cares about you as a person!! highly recommend!"

James Hawkins

★★★★★

"Dr. Zach is an amazing chiropractor! He explains things really well, cares about his patients and every adjustment has helped to ease the tension in my son's nervous system! My sons says, "I'm really happy to have Dr. Zach as my chiropractor!"

L B

★★★★★

"Dr. Zach has a very warm and welcoming atmosphere in his office. I felt very calm and well taken care of during our session. He takes his time to understand your concerns and does an amazing job with being able to pin point those issues. He also gave me some very helpful information on what I can keep up with progress we've made. I've had 4 sessions so far with Dr. Zach and each time I get the results I was hoping for, which makes me excited to go back!"
